STEAM FOR SPED/KINDERGARTEN

(Science, Technology, English, Art and Mathematics)

Unlock children's imaginations With this colourful collection of versatile bricks.

STEAM PARK

STEAM Park builds on every child's natural curiosity and desire to create, explore, and investigate the world of early science, technology, engineering, art, and math (STEAM) through creative play. The possibilities are endless, as you work with them to construct a STEAM Park full of dynamic moving rides, fun games, and scenes using the special selection of LEGO® DUPLO® bricks. With every trip to STEAM Park, children grow their understanding of gears, motion, measurement, and solving problems together in a fun and engaging way.

● Key Features

- **295 LEGO® DUPLO® bricks, including gears, tracks, pulleys, boats, and figures**
- **8 double-sided building inspiration cards with 16 models to build**
- **Build slides, carousels, shooting galleries, and much more!**
